Join our upcoming webinar “Decoding the 2026 Housing Affordability Agenda” with **Isaac Boltansky** and **Alex Boand** for a breakdown on the regulatory shifts that will change your business strategy this year. This isn't just a political update—it's a roadmap for staying compliant and competitive.

Gain insights on:

- **The Administrative "Affordability Push":** A look at the \$200B MBS purchase directive and new executive orders targeting institutional investors.
- **The Warsh Pivot:** What the Kevin Warsh nomination means for the Fed's balance sheet and mortgage rates through May.
- **Congressional Mechanics:** A status report on the *Housing for the 21st Century Act* and the housing takeaways from the State of the Union.
